

AFTERCARE ENROLMENT FORM FOR 2018

We provide aftercare services for those parents who cannot collect learners immediately after school. We have a wonderful aftercare team. They supervise homework and play. A light lunch as well as a mid-afternoon juice and snack is served at aftercare.

Aftercare times

Aftercare is from 14h00 to 17h30. Penalties are levied after 17h30.

Ad hoc (or once-off) aftercare

We understand that parents cannot always control all circumstances and that emergencies happen. Learners may therefore be admitted to aftercare on an *ad hoc* basis. The office **must be notified by 10h00** if you want to enroll your learner for that day's aftercare, otherwise there may not be enough lunch. In case of a last minute emergency, please speak to the office. No learner can be taken to aftercare if the child and the aftercare teachers have not been informed by the office.

Aftercare fees

Aftercare costs R1300 per month. Learners attending more than 12 afternoons in a month will be deemed to be regular aftercare learner and charged the full fee of R1300 per month. The daily fee for *ad hoc* aftercare attendance is R95. After 17h30 a **penalty fee** of R65 per 15 minutes will be levied against the parents' account.

If you would like to enroll your learner(s) for regular aftercare, please complete this form.

I, _____ (full name and surname) am the parent/guardian of the following learners who I would like to enroll for aftercare at Orban for the academic year of 2018. I agree to be liable for the aftercare fees in terms of the Financial Agreement into which I have already entered with Orban:
